## SELECTMEN'S REPORT

The figures shown on the pages of this Town Report reflect the increasing costs of services rendered by the Town.

Your elected officers have operated with the thought in mind that we should maintain our facilities in a good state of repair and that our roads, trees and sidewalks should receive proper care consistent with reasonable expenditures for such purposes.

The work involved in reducing the possible accident hazard by removing the ledge near the Machine Shop has been accomplished entirely with State Aid funds.

Our expense account of course, shows an item of slightly over \$10,000 for the payment of the Gorham Bridge renovation work.

It is our plan to operate as conservatively as possible during the year of 1958 and we trust that our constituents will approve of our efforts toward that objective.

We are most appreciative of the cooperation received from Proctor residents and State Officials and would like especially to record our thanks to our District Highway Commissioner, Mr. John Durkee of Rutland, for his helpfulness in all matters pertaining to our highways and streets.

FRANK J. OLNEY,  
HAVEN V. GREENE,  
JOSEPH F. SHERLOCK,  
Selectmen.

## HIGHWAY COMMISSIONER'S REPORT

The tarring program for 1957 was as follows:

### State Aid Highways

On the West Proctor Road one application of blade mix with crushed stone and asphalt covered with rock fines and rolled, distance of 2.6 miles.

### Town Highways

A blade mix with crushed stone asphalt covered with rock fines was applied on Powers Hill and Pleasant Street Hill.

The following streets had surface treatment with asphalt covered with peastone and grits:

Gorham Bridge Road from North Street to Gorham Bridge, Garden Street, Newton Street, Field Street, Bluff Street, High Street and part of North Street.

### New Construction

Installed a new 30" x 46' - 0" culvert on Gorham Bridge Road near the Village Line. This replaces an old stone culvert.

Removed ledge in front of the Vermont Marble Company's Machine Shop. On both of these projects the Town of Proctor was reimbursed by the State for the full cost of the jobs.

### Sidewalks

The following sidewalks were repaired:

West Street	950 ft.
North Street	1025 ft.
Powers Hill	475 ft.
Pleasant Street	610 ft.
High Street	1055 ft.
Ormsbee Avenue	145 ft.

This work was done by Wilk Brothers (paving contractors), Center Rutland, Vermont.

JOHN LENDWAY,  
Highway Commissioner.

## FIRE WARDEN'S REPORT

In 1957, Town of Proctor suffered a bad forest fire on West Mountain. This burned over 110 acres of planted white pine and saleable hard wood.

The fire started about 1:30 P. M. on May 6th. With the help of Proctor and Pittsford Fire Departments and volunteers from Proctor and surrounding towns, the fire was brought under control the following day. The National Guard, Proctor Fire Department and Vermont Marble Co. men patrolled the fire line day and night. On May 12th, a good rain called off all the patrols. The total cost of this fire to the Town of Proctor amounted to \$765.19.

The selectmen and I want to thank the Vermont Marble Company for the use of two trucks and tools, Robert Sird of Pittsford for power saw and pump, Mr. Homer McCullough for the canteen, Vermont National Guard for communication service, Mr. John Kabastura for the use of his home for headquarters, all town's people who made sandwiches, coffee, etc., Forestry Department for the fine cooperation they gave us during and after the fire.

### THINGS TO REMEMBER:

- Use care in burning brush and trash
- Play safe
- Prevent forest fires
- It pays

JOHN LENDWAY,

Fire Warden.

## REPORT OF HEALTH OFFICER, 1957

The year 1957 was not unlike other years except for communicable diseases. The advent of antibiotics and improved health facilities have reduced morbidity and mortality to new lows. Childhood diseases that created havoc among the young, have been largely stamped out by early recognition, or controlled by adequate treatment. Anterior poliomyelitis, the "bogey man" of yesteryear, has been pretty well controlled by the Salk vaccine. The prompt use of gamma globulin has even reduced the incidence of measles, and to a lesser extent mumps. If the present trend continues, many of childhood diseases known at present will become relatively unknown in years to come.

Early in October a "Flu" scare struck the country. The disease may or may not have been the Asiatic variety. To my knowledge no cases were positively identified in this area. To this observer it appeared similar to the flu commonly seen in February and March of each year. Many prophylactic shots were given and the disease never reached epidemic proportions.

### WATER:

Thanks to the efforts of Mr. John Lendway, our water situation has greatly improved. Samples taken at various locations, are with pleasant regularity acceptable. Improper chlorination may have been the key to the many contaminated specimens submitted to the health department.

### GENERAL:

The following Vermont Department of Health Report represents the many services available to our citizens, and the work done by the various agencies. Improved health is not an accident.

HENRY J. FREGOSI, M.D.,  
Health Officer.

February 3, 1958

## REPORT OF THE VERMONT DEPARTMENT OF HEALTH

Proctor, like all towns, develops community health problems. A public health team from your Vermont Department of Health including a bacteriologist, chemist, dentist, engineer, health educator, public health nurse, nutritionist, physician, psychologist, sanitarian, social worker and statistician is available to aid your health officer, local doctors and other local citizens with such problems.

This report summarizes many services offered by the health team through use of state tax dollars, and indicates those services rendered to Proctor last year to promote health in the community.

### HEALTH SERVICES WHERE YOU LIVE AND WORK:

A healthy environment for your town results when water and sewage systems, factories, schools and other public buildings, and food and lodging establishments are properly constructed and operated.

# VERMONT DEPARTMENT OF SOCIAL WELFARE

## MONTPELIER, VERMONT

This is the twenty-second annual report which I have made to the citizens of Proctor regarding State payments in your municipality of various types of assistance and welfare during 1957. The support and cooperation of town officers and people generally over this long period is gratefully acknowledged. We have some measure of responsibility for 12,000 individuals and annually spend about six million dollars.

The total number of recipients in all four programs has not changed substantially for several years. Due to the extension of Social Security, the number receiving Old Age Assistance has declined but those receiving Aid to the Permanently and Totally Disabled have increased. Supplementation of inadequate amounts of Social Security benefits is an increasing role of Public Assistance. Towns and cities participate financially in two of the four types of Public Assistance have always been among the lowest in the nation. In one state the recipient receives less than eighty-two cents out of the assistance dollar. In Vermont the recipient received ninety-six cents.

Old Age Assistance	\$9,011.00
Aid to the Blind	247.00
*Aid to Dependent Children	1,140.00
Aid to the Disabled	669.00
†Committed Children	1,133.09
Total	\$12,200.09

W. ARTHUR SIMPSON,  
Commissioner.

\*One-eighth paid by the town or city unless family is non-settled.  
†One-half paid by the town or city unless family is non-settled.
